Healing Care Groups

Healing prayer through small group ministry

Healing Care Group is a small group experience (4–5 participants) led by trained facilitators in the area of healing prayer.

The healing ministry includes prayer, a teaching component, an experiential activity, and a spiritual focus.

Participants are given weekly assignments and scripture readings to assist them.

Each group meets for 16 sessions, 3 hours per week.

Healing Care Group may be for you if you struggle in any of the following areas:

- Experiencing God's love
- Knowing your true identity in Christ
- Loving yourself and others
- Sinful behaviours
- Negative thinking
- Wounds from childhood
